

COVID-19 UPDATE

10th August 2020 Issue 60

Dear Chairman, Members and Clerks,

I hope that you are well, and are adjusting to life post lockdown as we start to return to some form of normality. For those who have now returned to their office spaces, hopefully this hasn't been too much of a shock to the system after all this time at home. I trust that you are able to work safely and social distance from one another.

I am writing to let you know that the Essex Association of Local Councils are now back working in our office building (42B, High Street, Great Dunmow). All staff are now back in the EALC office, and nobody is working from home anymore. Consequently, the EALC landline phone is now switched back on. We will be happy to take calls from you with requests for information, legal enquires, publications orders and bookings. For the time being the EALC mobile will remain switched on whilst everyone gets used to this change.

At the moment, office consultations and face to face training courses are not taking place in our conference rooms as such meetings have not yet been deemed safe by the government. Consequently, the webinar series will continue virtually in the Autumn season. For questions about any of the above, please feel free to contact by phone or email.

From myself and all the EALC team, we look forward to working with you again from our office building, and seeing you in person when it is safe to do so.

With kind regards,

Communications Officer

EALC, 42B High Street, Great Dunmow, Essex, CM6 1AH
