

COVID-19 UPDATE: Issue 66
15th October 2020

Dear Chairman, Councillors, Clerks, Members and Other Partners,

Please see the attached Statement from Cllr David Finch, Leader of Essex County Council.

The EALC Chairman, has been working in collaboration with ECC, who in turn has been working with the City District and Borough Councils throughout Essex and ECC have taken the decision to deliver leaflets across all of the Essex area using one supplier, having the confidence that they will be able to deliver a leaflet as previously notified to every household in Essex (c 640,000) within the week.

Therefore, we ask all Parish and Town Councils to stand down all volunteers.

ECC are working in partnership with communications colleagues in all Borough, Districts and City Councils and will be leveraging their channels of communications with consistent messaging out to residents.

The EALC cannot thank everyone enough for all the kind offers to volunteers, it has been hugely appreciated.

We will continue as necessary on a daily basis to inform you and keep our membership updated with all matters relating to Covid-19. You will receive further guidance tomorrow.

I would like to wish everyone well, and to stay safe, during this time.

With kind regards,

Charlene Slade AATQB
