COVID-19 UPDATE: Issue 68

23rd October 2020

Dear Chairman, Councillors, Clerks, Members and Affiliates,

Please find the attached PDF document. It outlines some important new information we have received from Essex County Council's Coronavirus Update Service.

This alert system offers guidance on what you need to know about Tier Two, what's changed for Essex residents now that we're in it, new guidance for businesses and advice on extra support for Essex citizens from ECC's Wellbeing Service.

I sincerely hope this information finds you well, and that you haven't been too adversely impacted by entry into Tier 2. Stay safe, and look after yourself during these challenging times in which we live.

With kind regards,

Eli Haines
