Dear Sirs

### **Essex Heritage Trust**

Although in the present financial climate it is difficult to find funds for heritage projects, nature does not stand still and many important parts of our heritage will continue to deteriorate if we do nothing to preserve them. No doubt you as a Parish Council have important objects in your care which you would like to preserve given the funding to help do so.

Essex Heritage Trust is a registered charity, set up with the principal aim of donating funds to worthy public projects around Essex. Over the past 30 years the Trust has supported 537 projects awarding over £1.3 million in grant aid.

We do currently have funds available to contribute to projects that meet our objectives. We enclose a copy of our latest Newsletter which includes reports on some of our most recent projects.

Please take the opportunity to discuss this at your next Parish Council meeting and if you have a project which requires additional funding we look forward to hearing from you.

Yours faithfully
