--	--------------------------------	-----------------------------------	---------------------	-------------------------	---------

The Essex Association of Local Councils wishes to thank Essex County for the continued support and financial commitment to subsidise the EALC training strategy and courses run for the parish sector councils in Essex. The courses on this calendar are greatly reduced in price thanks to a Training Grant supplied to EALC.

Clerks in the County with a precept of less than 80k may make an application twice a year to the Essex Clerks Bursary fund to pay the cost of 75% of the training up to £500 in anyone financial year. Application must be made to EALC.

All booking forms to be sent to
